Dear Dr Manouchehri,

UIPM officially confirms that Muslim women are permitted to participate in the UIPM 2026 Obstacle World Championships wearing Islamic clothing, including the hijab (image below), in accordance with their religious and cultural practices.

This is fully aligned with UIPM's commitment to inclusivity, diversity, and the principles of fair and equal participation for all athletes, regardless of background, faith, or personal beliefs.

With my best greetings,

A stylized, handwritten signature in blue ink, which appears to read 'Shiny Fang'.
